

Environmental Scanning Task Group

June 20, 2018 – Meeting #1 Outcomes

Process Discussion: After discussion, the task group agreed to loosely align our work with the goals identified in Dr. Clinton's opening presentation beginning with "Goal #2 - NTCC will be a growing institution."

Meeting Summary

Comparison of NTCC Student Characteristics over 10 years

	Fall 2008	Fall 2012	Fall 2017
Male students	36.2%	36.4%	39.4%
White students	69.8%	58.3%	52.1%
Black students	11.3%	13.5%	10.9%
Hispanic students	17.0%	22.7%	29.6%
Dual credit students	13.7%	16.1%	27.2%

				chg 2014-2016

--	--	--	--	--

Key Points of "Goal #2 - Growing Institution" Discussion

- "Ghost" students - students who "temporarily" move into the workforce directly from high school but once employed don't/can't start college – they are intelligent, committed and responsible and have great college potential

High School to College "First Fall" Attendance Status – Upper East Region

2008, 2009, & 2010 High School Graduates by Region Who Earned a Degree or Certificate Within Six Years of HS Graduation

College Enrollment Status	Total High School Grads	Enrolled First Fall after HS grad	Associate Degree	Certificate	Bachelor's or Higher	% Earned Bachelor's or Higher
---------------------------	-------------------------	-----------------------------------	------------------	-------------	----------------------	-------------------------------

- Return to “community” focus as opposed to “global” (Goal #3 - “Integrated part of the community” and 60X30TX Completion)
