

WORK COLLEGE

Meet Brittany.....

Brittany is from Pittsburg, Texas. She was in the Work4College (W4C) Program last summer and plans on being in the program for a second year. Her W4C community service project included collecting food for the Eagle Food Pantry. She also completed her CPR certification in her W4C class. When asked what one thing she learned from the program was, she stated "Confidence.... I really can do anything I want as long as I am willing to work hard for it".

Thank you for your support! The Work4College Program is making an impact on students and our community. If you know of someone who you believe would be a good candidate for the 2020 Work4College Program please encourage them to fill out an application. They can go online at www.work4college.com to get the application now!

Or, if you are interested in sponsoring a student like Brittany let us know. We are very fortunate to have received another matching grant that matches all gifts, dollar for dollar, to the Work4College Program. For more information on this please see the back of this letter.
